THE REPORT BY SECTORAL COMMITTEE ON GENDER AND CULTURE ON BUNGOMA COUNTY 4TH QUARTER FINANCIAL STATEMENTS IN RESPECT TO THE DEPARTMENT OF GENDER AND CULTURE

Hon. Godfrey Mukhwana: I hereby issue a notice of motion that this House adopts the report by the sectoral Committee on Gender and Culture on the Bungoma County 4th quarter financial statements in respect to the department of Gender and Culture.

Mr. Speaker: Thank you, Hon. Godfrey Mukhwana. Honorable members, a notice of motion having been issued, I thus direct that it be circulated to Honorable members of this House for their perusal and will form part of the business to be considered by this House.

REPORT BY BUDGET AND APPROPRIATION COMMITTEE ON BUNGOMA COUNTY FIRST SUPPLEMENTARY BUDGET FOR FINANCIAL YEAR 2021/ 2022

Hon. Jack Wambulwa: Honorable Speaker, I give a notice of motion that this House adopts the report by Budget and Appropriation Committee on the Bungoma County 1st Supplementary Budget for financial year 2021/2022.

Mr. Speaker: Thank you, Hon. Ouma. Honorable members, a notice of motion having been issued, I thus direct that it be circulated to all honorable members for their critical analysis, perusal and in depth consumption of the same and form part of the business that will be considered by this Honorable House.

We are adjourning at that point, so that members are given enough opportunity to go through the 1st Supplementary report that has been tabled in this House, so that you can understand the content and make yourself at home with it as we look forward to dispensing with it as an item in this House. Hon.

Lusenaka?

Hon. Anthony Lusenaka: Just before we adjourn, I just have a concern. The offices that are being constructed in this compound, I think constructed way back in 2015 or somewhere around there. And up to now there is no indication on when they are supposed to be occupied and we are only remaining I think with three or four months here. Will we have any opportunity to occupy them or they are being reserved for the next Assembly? It is just a concern and if possible I will want to issue a notice, so that we discuss it as a matter of County importance in the afternoon. So it was just a concern, we are suffering and the offices are complete and we are not being given any direction on the same.

Mr. Speaker: Thank you, Hon. Luseneka. It's a very positive concern, but being a House of procedures and rules, let us just follow the proper channels then we address this issue as an Assembly in a proper manner. Let us just use them, so that we bring this very important aspect to this House, so that we dispense and look at it critically honorable members.

That being the last item on the Order Paper, we adjourn and resume at 2:30 p.m.

(House adjourns)
