## **CHAPTER ONE**

### **1.0 EXECUTIVE SUMMARY**

This report assesses the status of implementation of the Kimilili and Bungoma Municipalities and the development projects by partners through a fact finding exercise by the Committee on Lands, Urban, Physical Planning, and Housing in Bungoma County.

The report informs on the activities undertaken by the committee and also gives the legal background and objectives that steered the Committee during its sittings to undertake this activity.

The Committee embarked on this exercise with the following objectives as per section 12, 13 and 14 of the Urban Areas and Cities Act, 2011 on management of cities and municipalities, Boards of Municipalities and on the powers of cities and Municipalities:

- Provision of Social services
- Provision of Public health and sanitation services
- Management of Municipality physical planning
- Provision of administrative services
- Provision of development projects
- Community involvement
- Engagement with development partners.

This report contains the observations and recommendations as adopted by the Committee members.

## **1.2 CHAIRPERSON'S FORWARD**

**Mr. Speaker Sir,**

Pursuant to Article 184 and 176(2) of the Constitution that provides for National Legislation to cater for Governance, Management and Classification of Urban areas, the Urban Areas and cities Act was enacted in 2011 and amended in 2019.

Pursuant to Section 48 of the County Governments Act, Section 9(1) of the Cities and Urban Areas Act, (No. 13 of 2011), as complemented by Section 72 of the interpretations and general provisions Act(chapter2) and all other enabling provisions of the law, the County Government of Bungoma granted Charters to Bungoma and Kimilili Municipalities in May, 2018 and the Charters were gazetted in November, 2018, giving the Municipalities a legal framework for operation as decentralized units of service provision in Bungoma County.

**Mr. Speaker Sir,**

Pursuant to Article 185 of the Constitution of Kenya 2010, and Section 8 of the County Governments Act, the County Assembly of Bungoma has the mandate to conduct; representative, Legislative, Oversight functions on behalf of the County Government of Bungoma. Further, Article 185(3) elaborates that a County Assembly while respecting the principles of separation of powers, may exercise oversight over the County Executive Committee or any other county executive organ.

### **Justification for the Fact finding**

For effective oversight and legislation on the management of current municipalities and the emerging need and creation of more municipalities (Chwele and Webuye), the Committee thought it prudent to have an assessment of the status of implementation and challenges faced by the first two Municipalities in the County as far as various perimeters stipulated in the Urban Areas and Cities Act 2011, the County Government Act and other legal provisions are concerned. The committee carried out this exercise with the aim of coming up with an informed view on the current Municipalities that would act as a blue print to guide future engagements on management of the current, and creation of new Municipalities.

The committee was also cognizant of the need for proper planning and management of markets, towns, urban centres and eventually municipalities for the County to realize a stable social,

physical and economic development. This will go along way to open business and development avenues by attracting serious investors in the County.

### **1.3 GOVERNANCE AND MANAGEMENT OF URBAN AREAS AND CITIES**

**Mr. Speaker Sir**, section 11 of the the Urban Areas and Cities Act, 2011 stipulates that the governance and management of urban areas and cities shall be based on the following principles—

- a) recognition and respect for the constitutional status of county governments;
- b) recognition of the principal and agency relationship between the boards of urban areas and cities and their respective county governments including—
  - I. the carrying out by a board of such functions as may be delegated by the county government;
  - II. financial accountability to the county government; and
  - III. the governance by each board for and on behalf of the county government;
- c) promotion of accountability to the county government and residents of the urban area or city;
- d) institutionalized active participation by its residents in the management of the urban area and city affairs;
- e) efficient and effective service delivery; and
- f) clear assignment of functions.

Section 12 of the same Act talks on the Management of cities and municipalities thus:

- 1) The management of a city and municipality shall be vested in the county government and administered on its behalf by—
  - a) a board constituted in accordance with section 13 or 14 of this Act;
  - b) a manager appointed pursuant to section 28; and
  - c) such other staff or officers as the county public service may determine.
- (2) shall be a body corporate with perpetual succession and a common seal and shall, in its corporate name, be capable of—
  - (a) suing and being sued;
  - (b) taking, purchasing or otherwise acquiring, holding, charging or disposing of movable and immovable property;
  - (c) borrowing money or making investments;
  - (d) entering into contracts; and

(e) doing or performing all other acts or things for the proper performance of its functions in accordance with this Act or any other written law which may lawfully be done or performed by a body corporate.

(3) The governance and management of a city county shall be in accordance with the law relating to county governments.

Further, section 14 touches on the Boards of Municipalities that the provisions of section 13 shall apply with respect to the board of a municipality except that such board shall comprise nine members of whom four shall be appointed and five elected in the prescribed manner.

While section 20. is on Functions of a board and provides that:

(1) Subject to the provisions of this Act a board of a city or municipality shall—

- a. oversee the affairs of the city or municipality;
- b. develop and adopt policies, plans, strategies and programmes, and may set targets for delivery of services;
- c. formulate and implement an integrated development plan;
- d. control land use, land sub-division, land development and zoning by public and private sectors for any purpose, including industry, commerce, markets, shopping and other employment centres, residential areas, recreational areas, parks, entertainment, passenger transport, agriculture, and freight and transit stations within the framework of the spatial and master plans for the city or municipality as may be delegated by the county government;
- e. as may be delegated by the county government, promote and undertake infrastructural development and services within the city or municipality;
- f. develop and manage schemes, including site development in collaboration with the relevant national and county agencies;
- g. maintain a comprehensive database and information system of the administration and provide public access thereto upon payment of a nominal fee to be determined by the board;
- h. administer and regulate its internal affairs;
- i. implement applicable national and county legislation; enter into such contracts, partnerships or joint ventures as it may consider necessary for the discharge of its functions under this Act or other written law;
- j. monitor and, where appropriate, regulate city and municipal services where those services are provided by service providers other than the board of the city or municipality;

- k. prepare and submit its annual budget estimates to the relevant County Treasury for consideration and submission to the County Assembly for approval as part of the annual County Appropriation Bill;
- l. as may be delegated by the county government, collect rates, taxes levies, duties, fees and surcharges on fees;
- m. settle and implement tariff, rates and tax and debt collection policies as delegated by the county government;
- n. monitor the impact and effectiveness of any services, policies, programmes or plans;
- o. establish, implement and monitor performance management systems;
- p. promote a safe and healthy environment;
- q. facilitate and regulate public transport; and
- r. perform such other functions as may be delegated to it by the county government or as may be provided for by any written law.

(2) The functions performed by the board of a city or municipality under this Act shall, in the case of a town, be performed by a committee appointed by the county governor and approved by the county assembly.

**Mr. Speaker Sir**, section 21 of the Urban Areas and Cities Act, 2011 gives the boards of cities and municipalities powers as follows:

- 1) Subject to the Constitution and any other written law, the board of a city or municipality shall, within its area of jurisdiction—
  - a) exercise executive authority as delegated by the county executive;
  - b) ensure provision of services to its residents;
  - c) impose such fees, levies and charges as may be authorised by the county government for delivery of services by the municipality or the city;
  - d) promote constitutional values and principles;
  - e) ensure the implementation and compliance with policies formulated by both the national and county government;
  - f) make bye-laws or make recommendations for issues to be included in bye-laws;
  - g) ensure participation of the residents in decision making, its activities and programmes in accordance with the Schedule to this Act; and

- h) exercise such other powers as may be delegated by the county executive committee.  
· municipality shall exercise such executive authority as may be delegated by the county executive committee for the necessary performance of its functions under this Act.

#### **1.4 MANDATE OF THE COMMITTEE**

**Mr. Speaker Sir,**

The Sectoral Committee on Lands, Urban, Physical Planning and Housing derives its mandate from the provisions of Standing Order 217(5) of the Bungoma County Assembly Standing Orders which defines its functions as to:

- a) Investigate, inquire into, and report on all matters relating to the mandate, management, activities, administration, operations, coordination, control and monitoring of budget;
- b) Consider quarterly reports of the assigned departments and report to the House within twenty-one (21) sitting days upon being laid; 127
- c) Study the programme and policy objectives of departments and the effectiveness of the implementation;
- d) Study and review all county legislation referred to it;
- e) Study, access and analyze the relative success of the departments as measured by the results obtained as compared with their stated objectives;
- f) Investigate and inquire into all matters relating to the assigned departments as they may deem necessary, and as may be referred to them by the County Assembly;
- g) To vet and report on all appointments where the constitution or any law requires the House to approve, except those under *Standing Order 204* (Committee on Appointments); and
- h) Make reports and recommendations to the House as often as possible, including recommendation of proposed legislation.

## **1.5 COMMITTEE MEMBERSHIP**

**Mr. Speaker Sir,**

The current composition of the Committee on Lands, Urban, physical Planning and Housing is as follows:

1.	Hon. Francis	Chemion	Chairperson
2.	Hon. Linda	Kharakha	Vice/Chairperson
3.	Hon. Ali	Machani	Member
4.	Hon. James	Barasa	Member
5.	Hon. Vitalis	Wangila	Member
6.	Hon. Sudi	Busolo	Member
7.	Hon. Henry	Nyongesa	Member
8.	Hon. Eunice	Kirui	Member
9.	Hon. Edwin	Opwora	Member
10.	Hon. Wafula	Waiti	Member
11.	Hon. Mildred	Barasa	Member
12.	Hon. Everlyne	Anyango	Member
13.	Hon. Cornelius	Mahanu	Member
14.	Hon. Timothy	Chikati	Member
15.	Hon. Johnson	Ipara	Member

## 1.5 ACKNOWLEDGMENT

**Mr. Speaker Sir,**

The Committee extends its appreciation to the Offices of the Speaker and the Clerk of the County Assembly for the support accorded to it in the execution of it's mandate and the opportunity accorded to the Members to undertake the fact finding and report writing there after. I also wish to extend my utmost gratitude to the Members of the Committee who dedicated their time out of their busy schedule to ensure that the objectives of this exercise were achieved. More so, the secretariat of the committee is commented for the timely procedural advice accorded to the Hon. Members during the exercise.

It is therefore my pleasant duty and privilege, on behalf of the committee on Lands, Urban, Physical Planning and Housing, to table this report for further consideration and subsequent adoption by this honorable House.

**SIGNED**

**DATE** 2/2/23

**HON. FRANCIS MASAI CHEMION, MCA- KAPTAMA WARD**

**CHAIRPERSON, LANDS, URBAN, PHYSICAL PLANNING AND HOUSING**

## **CHAPTER TWO**

### **2.0 SUBMISSIONS FROM THE MUNICIPALITY AND COMMITTEE FINDINGS**

**Mr. Speaker Sir,**

The committee requested for a status report on implementation of the Bungoma and Kimilili Municipalities and on development projects by partners since their inception basing on the following services and these will form the content of the committee report:

1. The social services
2. Public health and sanitation services
3. Municipality physical planning
4. Administrative services: number of employees, revenue collection etc.
5. The development projects undertaken by the Board of management
6. Community involvement and benefits
7. Engagement with the development partners

#### **2.1 ADMINISTRATIVE SERVICES**

##### **Bungoma Municipality**

**Mr. Speaker Sir,**

Bungoma Municipality has an established board as per section 13 and 14 of the Urban Areas and Cities Act, 2012. However, currently the board has 3 vacancies as stated below:

- a. In 2021 a member of the board representing the public died.
- b. In February 2022, Hon. Sasita resigned from the board.
- c. In February 2022, Hon. Jeremiah Kuloba who was representing the members of the informal sector resigned.

The committee established that the aforementioned situation doesn't cause a quorum hitch when the boards sits to transact business. The municipality has sought the attention of the governor for the three positions to be filed but up to the time of engagement with the committee, nothing had been done to that effect.

The board functions effectively in implementation of its delegated mandate with approximately 20 staff, 15 who were deployed in 2019 and 5 other contracted, employees including: Revenue

Officer, Internal Auditor, the Finance Officer, Land Surveyor I, Assistant Office administrator I, Administrative Officer, an Accountant, Public Health Officer 2, Enforcement Officer, Human Resource Asst, Procurement Officer, Clerical Officer I, and Environmental Officer.

The municipality covers three wards; Musikoma, Khalaba and Township. Although the Urban Areas and Cities Act, 2012 confers at-least 18 functions to Municipalities, only three have been partially transferred which include: Waste management, Sanitation and Development plan approvals. The Municipality seeks for support from other departments in carrying out the partially transferred functions.

### **Kimilili Municipality**

**Mr. Speaker Sir,**

For Kimilili municipality, there is an established board as per section 13 and 14 of the Urban Areas and Cities Act, 2012, although the board lacks two representatives, one representing registered associations of the informal sector in the area and another representing registered neighbourhood associations in the area. The two representatives who had been appointed did not meet the requisite qualifications for the office which forced them to resign in 2018. The committee established that the aforementioned situation doesn't cause a quorum hitch when the boards sits to transact business. The Board meets quarterly to approve plans, policies, budgets and receive, deliberate on and adopt reports from committees of the Board. The Municipal Board reports to the County executive Committee.

The municipality covers three electoral wards of Kimilili, Kibingei and Maeni with current population of 122,000 residents. It is semi-autonomous with a defined reporting line and limits. The Municipality works in consultation with other County Department because not all functions have been transferred to it except for approval plans, policies, budgets(recurrent) and receive, deliberate on and adopt reports from committees. The Board has also been implementing the Kenya Urban Support Programme projects but has no development vote head from the exchequer.

The County Government deployed fifteen (15) staff who include the administrator, the Finance officer, the office administrative officer, Physical Planner, Works Officer, Revenue Officer, Revenue Clerk, Social Services Officer, Survey Assistant, Public Health Officer, Assistant

Officer Administrator, Internal Auditor, Human Resource Officer, Accountant and Supply Chain Management Officer.

## **2.2 MUNICIPAL OFFICES**

### **Kimilili Municipality**

**Mr. Spaeker Sir,**

The municipality is currently occupying part of the old building belonging to County department of Cooperatives and the old Municipal offices which are shared with the sub-County Administrator and Kibingei Ward Administrator.

### **Bungoma Municipality**

**Mr. Speaker Sir,**

Bungoma municipality is currently being housed at the public works offices at County headquarters. The management has procured office furniture and equipment, computers and their accessories and stationery for efficient operations of the Board and staff.

## **2.3 PROVISION OF PUBLIC HEALTH AND SANITATION SERVICES**

### **Kimilili Municipality**

The municipality has a Municipal Public health Office tasked with supervision of public health and Sanitation facilities and gives feedback to the Board by way of reports. Through the this office, consultations with relevant County Offices, enforcement of public health standards and requirements through notices, statutory orders and advisories, public sensitization forums and other health and Sanitation programs and services have been offered. The management submitted that without the functions being transferred, improvement of the waste management remains a big challenge as there is duplication of services with the county department of environment. The municipality is currently in talks with Venture for Change organization which does innovative waste management to ease the pressure of solid waste disposal.

The committee was able to see copies of some of the statutory notices issued to the public for compliance. However, the Municipality uses the police to enforce compliance of its orders because it doesn't have its own enforcement officers.

### **Bungoma Municipality**

The municipality has a Municipal Public Office tasked with supervision of public health and Sanitation facilities. The municipality through their health officer issue statutory notices to effect health conditions and since their inception, they have held only one citizen fora. The Municipal Board of Bungoma supervises the collection and disposal of solid waste within its boundaries i.e it identifies areas with poor solid waste disposal and reports to the relevant department to effect the collection and dumping. It also carries out inspections on order. The management has drafted a waste management plan that cannot be effected since the function has not been formerly transferred to it.

## **2.4 PROVISION OF SOCIAL SERVICES**

### **Kimilili Municipality**

**Mr. Speaker Sir,**

The Municipality indicated that it has not directly undertaken social services functions despite having a relevant Board Committee responsible for the same. This is attributed to the fact that no formal transfer of services and requisite resources has been done by the County Government. However, the Municipality has in consultation with the relevant County and National Government departments promoted cultural and sporting activities and provided other social services to the residents through the social services office. The municipality in January 2023 went for bench marking in Makueni where they were challenged to set up a recreational park and are looking at upgrading Amtala stadium.

### **Bungoma Municipality**

The municipality has not been carrying out this role since inception. The municipality in January 2023 went for bench marking in Makueni where they were challenged to set up a recreational center but are looking to reclaim land in town for the same. There are ongoing talks with the director and CECM member for Lands.

## **2.5 MUNICIPALITY PHYSICAL PLANNING**

The Municipalities have the mandate of approving municipal development plans and inspections. Although they have done this through their committees, the same function is at the County department of lands hence duplication of functions. They handle approvals of buildings through a

technical constituted for that purpose. There is need for proper approval and follow-up structure to avoid duplication of functions on land controls and approvals.

## **2.6 DEVELOPMENT PROJECTS**

At Kimilili Municipality, all infrastructural projects are done by donor funds through world bank. The Kenya Urban Support Programme has been able to support the municipality to remain relevant to the public through funding of infrastructural projects which include roads. The county budget has been used majorly for recurrent and maintenance.

Based on the projects done by donor funds, there was a variation of 20.7 Million which is supposed to be refunded to the donor by the County Government. The variation process was duly followed with the involvement of the stakeholders.

The municipality manager confirmed that in their draft budget they include infrastructural development funds but they have never been approved by the department.

Through donor funds, the municipality has been able to build a modern Thursday market in Kimilili town currently in use, a Bus park and a Monday Market, although the Monday market has not been occupied due to technical issues with the traders. The Grants were also used to fund capacity building, acquisition of basic office equipment and machines and the following infrastructural development:

NO.	Project Name	FINANCIAL YEAR	REMARKS
1	Upgrading of Riziki to DC Road (C33), from Riziki to Slaughter House,	FY 2018/2019	complete
2	Upgrading of DC(C33) to Kimilili Thursday Market Road	FY 2018/2019	complete
3	Upgrading of Thursday_ Market-Auction Ring-Chetambe Area-KIE Road	FY 2019/2020	complete
4	Upgrading of Thursday and Monday Market and Bus Park	FY 2019/2020	Complete? Refund of Ksh. 20,754, 740 to be made.
5	Upgrading of Mukulima-Nasusi Road	FY 2021/2022	ongoing

### **Bungoma Municipality**

All infrastructural projects are done by donor funds through world bank. The Kenya Urban Support Programme has been able to support the municipality to do infrastructural projects which include roads.

The county budget has been used majorly to recurrent expenditures and maintenance of development projects projects. The municipality is currently engaging donors for SWED programmes but the donor is interested in value chain projects which are not restricted within the municipality boundaries but are funded through special purpose account in the municipality. The municipality has plans to set up a modern bus park at Kanduyi Market. The Donor funded projects include the following:

No.	Project Name	FY	Remarks
1	Upgrading of Kanduyi-Makutano Road to Bitumen standard	2018/2019	completed
2	Upgrading of Sharff Centre- prisons-BIERCE Offices Mama Fanta road to bitumen standard	2018/2019	completed
3	Upgrading of Sunrise, Bungoma High School and Moi primary roads in to Cabro	2019/2020	completed
4	Upgrading of Wings-Wambyia and other access roads within the Municipioality	2019/20	completed
5	Upgrading of Pamuz Muyayi-Ndengelwa, Road to Bitumen standards.	2020/2021	Contractor is on site progressing well

## **2.7 ENGAGEMENTS WITH DEVELOPMENT PARTNERS**

### **Bungoma Municipality**

**Mr. Speaker Sir,**

In Bungoma Municipality, there is an engagement with the Sustainable Urban Economic Development (SUED) team, supported by the UK government on sustainable Urban economic development in Bungoma Municipality. The team has signed a Participation agreement with the County Government defining activities (6) and responsibilities for each party. The team has also developed an Urban Economic Plan( UEP) adopted by the Board and it outlines the developmental needs of Bungoma Municipality.

The UEP activities include:

- a. Dairy Processing- Value chain
- b. Integrated Poultry- Value chain
- c. Animal feed mill- Value chain
- d. Construction Blocks- Value chain
- e. Solar PV Power Generation- Infrastructure
- f. Solar refrigeration (cold stores)- Infrastructure

### **Kimilili Municipality**

The Municipality through the County Government has been engaging with the Kenya Urban Support Programme (KUSP) which has funded development projects as outlined herein under development projects by the Municipality.

## **2.8 COMMUNITY INVOLVEMENT**

### **Bungoma and Kimilili Municipalities**

**Mr. Speaker Sir,**

The municipality board of Bungoma on one hand has held quarterly citizen fora in which they engage public select groups to get views on effective governance.

The municipal board of Kimilili on the another hand has been involving the community in identifying priority projects through scheduled citizen forums.

## **CHAPTER THREE**

### **3.0 COMMITTEE OBSERVATIONS AND RECOMMENDATIONS**

#### **3.1 COMMITTEE OBSERVATIONS**

**Mr. Speaker Sir**, the following are committee observations:

1. With the functions yet to be transferred to Municipalities by the County Government, most of the functions are performed by the Sub-County administrator which begs the question of the relevant and functionality of the two Municipalities in terms of their mandate per section 13, 14 and 32 of the Urban Areas and Cities Act, 2012.
2. There is poor coordination in record keeping on levies collected between the municipality revenue officer and their counter part in the county revenue office. The money collected from approval of plans and allocation of market slots where every trader are deposited in the County Government Account, with no track at the Municipalities.
3. The Municipalities lack enforcement powers hence ensuring compliance of its orders and directives is a difficult task as they are forced to source this service from the Kenya Police or by request from the Public administration department.
4. The Kimilili municipality Board has had two vacant positions since 2018, one representing registered associations of the informal sector in the area and another representing registered neighbourhood associations in the area. The committee noted that views of the said groups have not been presented on the Board since the two representatives resigned in 2018.
5. The various functions for Municipalities stipulated in sections 12,13,14,20, and 32 and of the Urban Areas and Cities Act, 2012, are still being handled in Public Administration department and other departments despite the two Municipalities having officers with the same rank. This has caused a lot of confusion and duplication of duties leading to under performance in terms of service delivery in the County.
6. The committee noted that all infrastructural projects are done by donor funds through world bank. The Kenya Urban Support Programme has been able to support the municipality by funding of infrastructural projects including roads. The Bungoma municipality is currently engaging donors for SWED programmes. The county budget has been used majorly for recurrent expenditures and maintenance.

7. Currently, Bungoma Municipality board has 3 vacancies: the board member representing the public since deceased, the chairperson, Hon. Sasita resigned from the board, and a Member representing the members of the informal sector, Hon. Jeremiah Kuloba resigned.

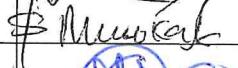

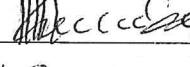

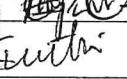

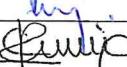

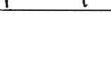

### **3.2 COMMITTEE RECOMMENDATIONS**

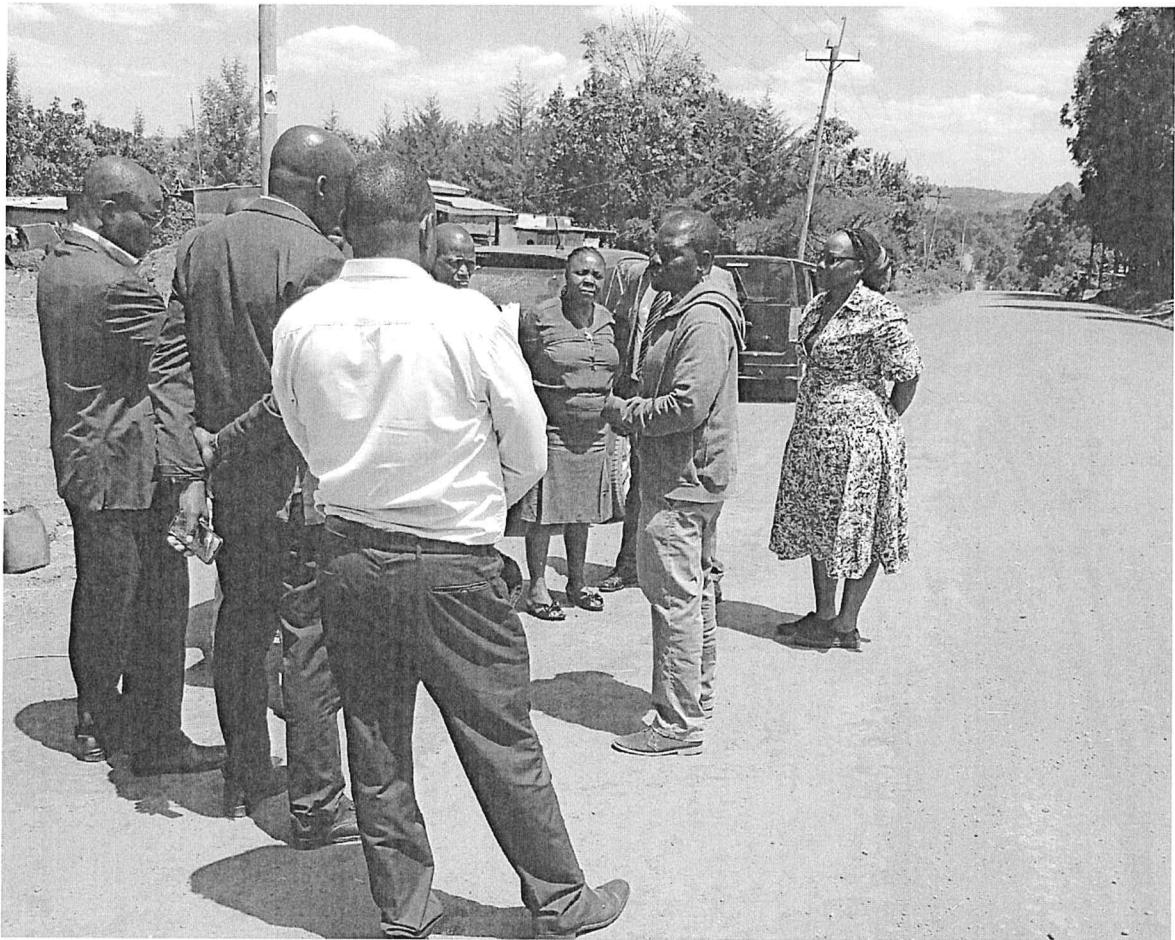

**Mr. Speaker sir, the committee makes the following are the recommendations;**

1. **THAT** the County Government should transfer all the functions to Municipalities as provided for in the Urban Areas and Cities Act, 2011 and Article 187 (2) (a) of the Constitution to enable the two Municipalities to deliver on their mandate and to offer services to the people. The Committee Executive Member of Lands, Urban Physical planning and Housing in consultation with relevant departments within the County should fast-track legislation to delegate functions to Municipalities which should be forwarded to the County Assembly for approval.
2. **THAT** all the required personnel by the two municipality Boards should be seconded from various departments in the County Government of Bungoma by the CECM Lands, Urban, Physical Planning and Housing in consultation with the County Service Board and a report submitted to the Assembly committee within 90 days after the adoption of this report.
3. **THAT** the department of Lands, Urban, Physical Planning and Housing should prioritize and fill the vacant positions in the Bungoma and Kimilili municipal boards to make the board to be fully constituted and functional per the requirement of section 14 of the Urban Areas and Cities Act,2011.
4. **THAT** the Municipality management in consultation with the department of Lands, Urban and Physical Planning should fast-track the development of policy, legal and institutional framework for the efficient carrying out of the functions and delivery of the services per section 36 of the Urban Areas and Cities Act, 2011.

## ADOPTION SCHEDULE

We the undersigned members of the Sectoral Committee on Lands, Urban, Physical Planning and Housing affix our signatures adopting this report with the recommendations therein.

	NAME	DESIGNATION	SIGNATURE
