These statutory provisions include:

Section 116 (4) of the said Act states that the administrator of a County public fund shall ensure that money held in the fund, including any earnings or accruals is spent only for the purpose for which the fund is established. Section 167 of the same Act provides as follows;

- ii. For every county public fund established, the County Executive Committee Member for Finance shall designate a person responsible for administering that fund.

- viii. The administrator of a county public fund shall ensure that the accounts for the fund and the annual financial statements relating to those accounts comply with the accounting standards prescribed and published by the Accounting Standards Board from time to time.

#### **2.2.4 Public Finance Management Regulation, 2015**

Section 197 (d) of PFM Regulation provides that the administration costs of the Fund shall be a maximum of three 3% of the approved budgets of the

Fund; and Section (e) states that “the County Executive Committee Member responsible for the County Government entity functions shall confirm in writing that the establishment of the Fund and its continued existence will not depend on annual financing from the County exchequer;”

The Fund was established pursuant to the Bungoma County Youth and Women Empowerment Fund Regulations, 2015, whose management and operation is guided by the following principles:

- b) Protection of the interests of the marginalized and youth
- c) Local ownership and sustainability

The Committee further invited the CECM Gender, Culture, Youth and Sports on 13<sup>th</sup> March, 2023 to shed more light on the written submissions received. ### Mr Speaker,

Since inception in the FY 2013/2014, the Fund has had County exchequer releases twice for operation and disbursement. Up to date, the fund has been allocated Ksh 193,500,000 out of which only Ksh 31 M has been released. Despite approval of the Committee, the department has been unable to run the fund as a result of insufficiency in releases.

The current bank balance as at 1<sup>st</sup> March 2023 was Ksh 131,000. However, the department did not submit the bank statements supporting this since the signatories were not in office at the time of the submission.

### 3.2 Beneficiaries of the Fund and recovery

The Bungoma County Youth Empowerment Fund was meant for youth groups across all the 45 wards in Bungoma County. The criteria used to get the beneficiary groups per ward was arrived at after a meeting with the then sector committee on Gender and Culture. It was agreed that since all County projects are Ward based, each ward should get equal amount. That is Kshs 25 Million was to be divided equally among the 45 Wards therefore each ward was to get Kshs. 550,000

The fund was advanced to 474 youth groups across all the 45 wards in Bungoma County since inception each group receiving Kshs. 50,000 translating to a total of Kshs. 23,700,000. (*Attached is an annex 1, the list of the names of all groups per ward that were advanced the loan*). The Kshs. 50,000 was the principal amount having an administrative fee of 5% which represents Kshs. 2,500 of the principal amounts.

The groups were required to pay back the full loan amount of Ksh. 50,000 over the course of 12 months with a Kshs. 4,200 monthly instalments. The total amount recovered so far for the loans is Kshs 9,726,220 (41%) leaving an outstanding balance of Kshs 13,973,780 (59%).

*Table 3: The disbursement, number of groups and recovery percentage per ward.*

From the table above the committee observed that:

- Funds were not distributed equally per ward, as some were awarded more than the proposed allocation.

- Kimilili and West Bukusu wards had the fewest beneficiary groups, 5 groups, while Kabula and Kaptama wards had the most, 13 groups.
- Mbakalo ward has the highest recovery percentage of 83%, while Lwandanyi ward had the lowest recovery percentage of 2%.

Kshs. 31,000,000 was released, with Kshs. 23,700,000 going to youth groups and the remainder going to administrative expenses.

The administrative expenses included;

1. Formation of regulations
2. Formation of the Youth Fund Policy
3. Recruitment of the fund secretariats, ward committees and fund committee
4. Remuneration of the fund ambassadors, fund manager and secretariats
5. Fund committee facilitations like committee meetings and trainings
6. Review of regulations
7. Other small operational overheads like stationary, office cleaning etc.

### **3.3 The Amalgamation of the Fund.**

**Mr Speaker,**

There have been minimal activities in the past five years with regards to this fund. However, the budget of the FY 2022/23 saw an allocation of Ksh 7M towards this fund. Due to the failure of the program in the first roll out, the County Government under the stewardship of the current Governor, H.E Hon Kenneth Lusaka, has vowed to revamp this fund and

operationalize it in an attempt to empower the youth in the County. Being a program launched in his first administration, the Governor still has the vision of empowering the youth through this revolving fund.

The amalgamation of this fund is a new process where all the Funds in the County are merged to one corporation. Formulation of a corporation under the County Government is a lengthy process that involves a lot of consultation. A task force was formed to come up with regulations and guidelines on the amalgamation of the Funds in Bungoma County and submitted its report to the Cabinet for onward action.

### **1. Compliance with the Constitution of Kenya 2010.**

Article 201(d) of the Constitution provides that public money shall be used in a prudent and responsible way. The Bungoma County Regulation set up a County Committee and various Ward Committees which would be funded and run by the same fund. The Controller of Budget proposed that only the County Committee should be retained and the administrative structure established in the County Government Act should be utilized to reach the grass roots.

### **2. The Public Finance Management Act, 2012**

Regulation 18 establishes a Fund Unit and under Regulation 19(3) the unit shall prepare the financial statements which is the responsibility of the officer administering the Fund. It is the responsibility of the person so designated to be answerable as provided under Section 116 of the PFM Act. The Regulations neither recognizes the role of the County Executive Committee Member for Finance to designate the officer administering the

fund, nor do they spell out the officer responsible for administering the Fund.

Regulation 6(1) provides that one of the sources of monies is any sum or money borrowed by the Fund with the approval of the County Assembly.

Section 142 of the Public Finance Management Act provides that;

- i. The County Assembly may authorize short-term borrowing by County Government entities for cash management purposes only.
- ii. Any borrowing under subsection (1) may not exceed five percent of the most recent audited revenues of the entity.
- iii. A County Government entity that has any such borrowing shall ensure that the money borrowed is repaid within a year from the date on which it was borrowed.

### **3. Bungoma County Women and Youth Empowerment Regulations, 2015**

Regulation 6(1)(a) of Bungoma County Women and Youth Empowerment Fund, 2015 provides that the Fund shall comprise of at least 2% of the annual County Government budget estimate which shall from time to time be voted by the County Assembly. This provision contravenes the requirement of Regulation 197 (1) (e) of the PFM Regulations which states that one of the requirements to be met for a Fund to be set up is a confirmation that the Fund shall not be dependent on the annual financing from the County Exchequer. Further, it goes against the principle of programme-based budgeting where the projects and activities determine the amount to be allocated.

The Regulations establish a Fund, County Committee, Ward Committee and the Fund Unit. The County Committee is presumed to be the governing body which makes decisions to be implemented by the Unit and the Fund administrator. However, in Regulation 8, the County Committee has powers to approve or reject proposals and under Regulation 22, the Unit also has powers to approve and reject proposals hence over lapping of functions. The roles of each stakeholder in the fund should be clearly spelled out.

### **3.4 Challenges that hinder the Operation of the Fund.**

**Mr Speaker,**

The following are the challenges that hindered the operation of the Fund;

- I. **Legal framework;** the Bungoma County Youth and Women Empowerment Fund Regulations, 2015 was so bureaucratic in operations. The formation of ward committees, the fund ambassadors and the fund secretariats were unnecessary and this led to increased administrative costs in the operation of the fund.
- II. **Inconsistency in the Regulations;** some clauses have been inconsistent with other existing laws like Property Recovery Act and Affirmative Act, 2000.
- III. **Political interference;** in some areas the local leaders make statements that the loan is a grant which interfered with the recovery of the loans.

- IV. **Identification and vetting of groups;** If a wrong group is approved in the vetting stage, there will be a problem in the repayment.
- V. **Budgetary performance;** since inception, Kshs. 232 Million has been allocated towards the program but so far only Kshs. 31 Million has been released representing 13.4% hence low working capital for Fund to meet its financial obligations.

**Mr. Speaker,**

The following are the steps that the department has taken to ensure the programme achieves its objective;

- i. Review of the legal framework; the Bungoma County Youth and Women Empowerment Fund Regulation has been reviewed severally to enable compliance and to avoid inconsistency with other laws. The review of the Regulation has not been submitted to the County Assembly.
- ii. Recovery of outstanding loans; the department has put up recovery measures to ensure the loans are recovered and that the fund is up and running to achieve its objective.
- iii. Separating the legal provisions to make the fund independent from disability and women fund.
- iv. Lobbying for more funds through sector Committee; more funds are needed to sufficiently meet the increasing demand of the youth for purpose of empowerment.
- v. The amalgamation process is still on but a lot of consultations are ongoing with stakeholders that include; the County Assembly, other Counties, County Treasury, National Treasury, the Controller

of Budget, banks and microfinance. The department is keenly following up so that the gap existing in the previous operations is narrowed.

## CHAPTER THREE

### 2.5 OBSERVATIONS AND RECOMMENDATIONS

#### Committee General Observations

**Mr. Speaker,**

The following observations were made.

1. Since inception, the fund has had an allocation of Kshs. 193,500,000 but only Kshs. 31million has been released representing 16.02% and out of which Kshs. 23.7 million was disbursed to youth groups.
2. The number of beneficiary groups ranged from 5 to 13 youth groups per ward as opposed to 11 groups per ward that was agreed between the sector Committee and the department.
3. The department has not taken any steps to recover the outstanding loans from the defaulting groups since 2017.
4. The department is committed to revamping and relaunching the Fund that will be managed under a revised regulation.
5. The task force formed to amalgamate the Funds in the County has taken over five years, a demonstration of lack of seriousness. This has denied the services to the Youth and marginalized groups in the County thus the task force has violated the values and principles of public service more specifically the provisions of Article 232(1) (a)(b) and (c) of the Constitution of Kenya 2010 which states as that,

*“(1) The values and principles of public service include—*

*(a) high standards of professional ethics;*

*(b) efficient, effective and economic use of resources;*

*(c) responsive, prompt, effective, impartial and equitable provision of services.*

6. Some provisions in the Bungoma County Youth and Women Empowerment Fund Regulations 2015 are inconsistent with prudent financial management provided for in Article 201 of the constitution and Sections 116 of PFM Act.
7. The department did not avail documents supporting the oral submission of having Ksh. 131,000 as the running balance as at 1<sup>st</sup> March 2023.

### **Committee's Recommendations**

**Mr Speaker,**

The Committee made the following recommendations;

1. **That,** the department should endeavour to implement the resolutions passed by the County Assembly in respect to programs touching the residents of various Wards.
2. **That,** the department should identify all the defaulting groups and institute legal process with a view of recovering all the outstanding debt.
3. **That,** the CECM Gender, Culture, Youth and Sports should liaise with the task force in place to fast track the review of regulations in respect to all funds with a view of revamping affordable loans to youths in the County within 60 days from the date of adoption of this report and report back to this Honourable House.
4. **That,** the CECM Gender, Culture, Youth and Sports should ensure that all legal instruments conform to the Constitution of Kenya 2010,

Public Finance Management Act 2012 and other enabling statutes to avoid inconsistency of the laws in future.

5. **That**, the department should consider automation of debt collection in order to deal with rogue fund ambassadors who did not remit some of the funds they collected from the debtors.
6. **That**, going forward Fund Management should strictly adhere to the set provision on General expenses as provided for in the Bungoma Youth Empowerment Regulations 2015 to forestall over expenditure on mandatory expenses as earlier occasioned.
7. **That**, in future, the Fund administrator should strictly comply with the provisions of Section 156 (4) of the PFM Act, 2012 and further the Committee on Delegated County Legislation should undertake a review of all the approved Funds Regulations with a view of advising the administrators accordingly to avert poor expenditures and management of the Fund.
8. **That**, the department to fast track the process of formulating an amalgamated fund to be centrally and efficiently managed and make demonstratable efforts through formulation of the necessary legal framework with a view of ensuring that the same is not only ring-fenced but also completely separated from political influence.
9. **That**, the department within 60 days after adoption of this report, should provide bank statements to this Honourable House through the Committee supporting the expenditure and the oral submission of having a balance of Ksh 131,000 as at 1<sup>st</sup> March 2023.
