### 4. Development Projects implemented in the VTC as from 2018/19 to date.

- a. Tongaren VTC was constructed in the FY 2020/21 by Chikhabe Enterprises. The project is complete and in use though finishing was poor especially the ceiling, painting and the floor (the ceiling is falling, painting was poorly done and the floor cracking).
- b. Milimani VTC. One classroom that was budgeted in the FY 2017/18; was awarded to Renbic Building and Construction Company Limited who completed the project and it is in use. The contractor also constructed one ECDE classroom and pit latrine at Makololwe and Mabusu primary schools. The total project cost for the three classroom and pit latrine was Ksh 6M.
