6. Provide any other information which the CECM deems relevant to the subject matter in question.

Hon. Speaker, those are the questions that the Hon. George Makari wanted explanations and details.

**Mr. Speaker:** Vice-Chair Committee on Education or any member of the said Committee Education? Hon. Vitalis are you a senior member of the committee? I am wondering why you're moving towards the Dispatch. Proceed.

**Hon. Vitalis Wangila:** Thank you, Mr. Speaker Sir. On behalf of the chairperson, I hereby request for 14 days to enable the committee and the owner of the statement to consider the response from the County Executive Committee Member in relation to the questionable financial statements on bursary and scholarship program for the financial year 2023-2024 and report to this House. Thank you.

**Mr. Speaker:** Hon. Vitalis you have sought for 14 days to be given to the department. You will be given 14 days running from today. The feedback will be given back on 17th of June, 2025 during the 2:30 p.m. session.

Honourable members, allow me to invite Honourable Members to make brief remarks about our visitors in the Public Gallery. Form four students from St. Augustine Girls High School Lukhuna from Tongaren Sub County to the County Assembly of Bungoma. I will start with the host MCA of the said school Hon. Ipara Okasida.

**Hon. Ipara Okasida:** Thank you Hon. Speaker. I start by thanking the students and teachers of St. Augustine Secondary School from Lukhuna for making a historic event. I am saying it is a historic event because this is the first school from Tongaren/Kiminini Ward to pay a visit to this House. Personally as their representative and as their servant I don't take that for granted.

Such a visit helps the students to understand what happen in the House. What are the responsibilities of the Honourable Members, and are they guided by any discipline? Today I am proud when they go back; they will be more informed than they came.

Let me also inform the House that this was the first secondary school in Tongaren. It was the largest, the first school and it was also the first girls secondary school in Tongaren Kiminini ward. So this is a school that makes history.

In terms of education, it's one of the schools that we are proud as the residents of Tongaren, the ward and the sub county at large. We are not ashamed to associate with them, because it's a

school that has shaped several dignitaries within our country. Just to name one of them we had Dismas, who was a senior police officer in the Kenyan government, who was a student of the older Lukhuna, before it was changed to a girls' school.

For you students, I know you are history students who are preparing for your end year exams which will determine your future. What you are supposed to do is make sure every moment you have, it is spend in preparation for crossing the bridge. This will take you to the other side where you will participate in the development and economic progress of our county and the country.

Today you have come as students but I am looking forward, in the next five to ten years, I want to hear that part of you are representing the people of Tongaren or from where you come from. As the Members of the County Assembly or as senior members of the National Police Service, or as the teaching fraternity as the madams who are sitting there today with you. The future is determined by what you do today and tomorrow. Therefore, don't wait for anybody to get anything for you.

One time when I was visiting a friend in Ghana; Ghanaians have one belief; they believe that you don't wait for opportunity to come your way, you must grab that opportunity. If it comes near where you are, grab it. For you, our angels from Lukhuna St. Augustine grab every opportunity that's within your reach.

Lastly, the late Thomas Sangara said, 'who feeds you, controls you'. Let's not accept to be fed; let's feed the others. With that I submit.

*(Applause)*

**Mr. Speaker:** Thank you, Hon. Linda.

**Hon. Linda Kharaka:** Thank you, Mr. Speaker for the opportunity to encourage our young girls from Lukhuna Girls. I rise with pride to see young girl's sitted in the gallery today to witness the businesses that we are transacting today. It is an opportunity. Today you sit in the gallery as students; tomorrow you will be taking up the seats as leaders. Therefore, it is a unique opportunity.

I remember and I usually say to others who have come like you, I tell them some few years ago, I sat in a courtroom, the way you are sitted, not knowing what befell me. During that visit, I made up my mind that I want to be a lawyer. It is not by accident that you are sitted at the gallery. It is because you are having a preview of what you could be in the future. Therefore, you are leaders in the making. I encourage you to carry yourself with pride as leaders to be and leadership is not about being given, it's about seizing the opportunity. Being students who are going to sit for

exams, I want to encourage you to take every opportunity serious to revise for your exams. Take every subject as serious as it is because you do not know what the future holds and you determine it today.

To the teachers of Lukhuna and the parents who seized the opportunity to enable the students to come here today, I applaud you. Thank you Mr. Speaker.

**Mr. Speaker:** Thank you, Hon. Linda. Hon. Jeremiah Kuloba, proceed.

**Hon. Jeremiah Kuloba:** Ahsante Bwana Spika kwa kunipa fursa hii kuzungumza neon moja ama mawili kwa hawa wanafunzi. Kwanza nyinyi wanafunzi mjivunie kuwa mmepeewa fursa ya kutembelea...

**Mr. Speaker:** Hon. Kuloba, I have seen you have made some statement that has made Hon. Chikati happy. I don't understand what is happening but be aware that he is very happy today.

**Hon. Jeremiah Kuloba:** Ahsante Bwana Spika. Nilikuwa nawaeleza wanafunzi hawa wajivunie kuwa wanafunzi wa kwanza kutoka shule yao kutembelea chumba hili la kutunga sheria. Napenda muwe wanafunzi wenye nidhamu; nidhamu hiyo ianzie shuleni irudi nyumbani mkitaka kufaulu maishani. Mwe watu wa kuwaheshimu wazazi; sio wazazi wa nyumbani pekee, hata walimu pia ni wazazi wenu; kwa hivyo muendeleze jambo hilo.

Mimi ninajua hii shule, nilisoma kule na Mwalimu Mkuu wakati huo miaka ya themanini kwa jina Parmanas Wanjala. Ilikuwa shule ya mseto na mwalimu yule najua alienda kufunza katika chuo kikuu baada ya kuwa Mwalimu Mkuu katika moja wapo ya shule eneo la Tongareni.

Nataka pia msome mkijua kesho yawategemea nyinyi, msome mkijua nyinyi ni viongozi wa kesho, tunawategemea sisi katika jumba hili. Tutafika umri fulani na hatutakuwa hapa lakini nyinyi ikiwa mmefaulu maishani mtapata nafasi ya kuingia hapa. Msingoje eti mpewe nafasi, sharti kung'ang'ania na kunyakua. Utafanya hivyo tu iwapo utatia bidii katima masomo na kupata alazama nzuri zitakazo kuwezesha kuendeleza masomo yako baada ya kidato cha nne. Sisemi kwamba mje mchukukue nafasi hizi sasa hivi kwa sababu bado tuko hapa, mjipange wakati mwingine. Ahsante Bwana Spika.

**Mr. Speaker:** Hon. Chikati, proceed.

**Hon. Timothy Chikati:** Thank you, Hon. Speaker for this chance to talk to our young sisters from St. Augustine Secondary School, Lukhuna. Hon. Speaker, St. Augustine, Lukhuna are my neighbors, and most of the students are drawn from my Ward, from Naitiri/Kabuyefwe Ward, Mbakalo, Milima, and even Trans Nzoia and part of Kakamega.

As Hon. Ipara said, it was the first school in the county having drawn most of the students before they separated the boys who went into their own school within the same Ward, and they converted the school to a girls' school.

The message to my young sisters is that they should believe in themselves. Great achievements begin with a single step, and you are already on the right path. Stay straight, work hard, and never be afraid to ask questions or make any mistakes. The future belongs to you who are bold enough to learn, grow and lead. You are our future leaders. Keep going as you are on the right path.

To our professional teachers representing the entire school, Mr. Mukewa and Teacher Winnie, thank you for your unwavering dedication and knowledge you share every day. Your impact reaches beyond the classroom. We are truly grateful for all you do and we appreciate you. We know that our students are going to sit for the exams, the history students and the students representing the other subjects, our prayers are with you, and truly you are our future leaders.

His Excellency, our Governor; always tells us that you cannot be escorted when you are not going anywhere. Your parents, teachers and us as your leaders are escorting you; don't assume us. You need to visualize your destiny. When you are sitting here, make your destiny. Say this is where I want to get; whether a teacher, an engineer, a professor, a pilot or even a farmer. It's all in your hands; it is you to determine. Thank you, Hon. Speaker.

**Mr. Speaker:** Thank you, Hon. Shikati. Honourable Members, allow me, on behalf of the entire honourable Members and the leadership of the House wish all the candidates from St. Augustine Lukhuna Girls, all the best in the examinations.

As emphasized by honourable Members, respect your teachers and your parents, and work hard. To the teachers, we respect and appreciate the work you are doing for us because we entrust our children to you to take care of them for us. Teaching is a calling; it is not just a profession. Where you are, you have a calling to be the teachers to our young girls and boys. We wish you all the best as you prepare them for the end-year exams, which is basically KCSE. Wish you well and journey mercies back to school. Next item, please.

## ADJOURNMENT
