STATEMENTS

RESPONSE FROM THE CHAIRPERSON, SECTORAL COMMITTEE ON HEALTH TO A STATEMENT SOUGHT BY HON. SOSPETER NYONGESA IN RESPECT TO THE STATUS OF CONSTRUCTION OF PIT LATRINE IN NONOIL DISPENSARY IN WEST BUKUSU WARD

Temporary Speaker: Hon. Sospeter, are you in possession of the response?

Hon. Tony Barasa: Thank you, Honorable Speaker. I am just thinking aloud that this House is coming to an end and we have merits and demerits of this 2nd Assembly. I am aware that if it was not for our Majority Leader yesterday, the House could be adjourning today. It is good custom that in any Assembly or in any event that has taken place, we are Honorable Members and we have done something to this County. Why would we leave unceremoniously as we go to seek our votes. I thought Honorable Speaker where you sit as we are coming to the close of the curtains of this 2nd Assembly; try to organize so that as Honourable Members we go somewhere before we adjourn our calendar. We have our SWOT analysis as an assembly, so that if we wish everyone well at least we can do it in an Honourable manner than the way it was. If it was not for the wisdom of the Honourable Speaker, today we could be adjourning as if this 2nd assembly has done nothing for this county of Bungoma.

Honorable Speaker, where you sit, you have got all the powers to bring this House together so that we cannot just adjourn unceremoniously.

Hon. Joseph Nyongesa: Thank you, Honorable Speaker. Actually it is a great concern and for the purpose of this House, I want to inform the House that those are some of the reasons why we adjusted our calendar so just be patient, leadership is handling.

Temporary Speaker: Hon. Sospeter, are you in possession of the response?

Hon. Sospeter Nyongesa: Honorable Speaker, Thank you, very much for seeing me though Speaker's never have eyes.

Temporary Speaker: Hon. Sospeter, I just want to know whether you have a response or not, so that I allow the chair to read the response.

Hon. Ali Machani: I am a member of Health Committee. I am not briefed on any communication to this House but I am flashing my eyes closer to Hon. Sospeter; it's like he received some communication. You know last week we had so many challenges on nomination, so we have not been very conversant. So I have nothing much to answer.

Temporary Speaker: Hon. Ali Machani, we have an answer in the House. Clerk can you give that response to Hon. Machani.

Hon. Tony Barasa: Honorable Speaker, with due respect, I am afraid of your tone. If you can somehow moderate your tone then it will guide us.

Temporary Speaker: Thank you, point noted

Hon. Jack Wambulwa: Honorable Speaker, as much as Hon. Sospeter has the response, it has just been handed over to Hon. Ali Machani who is a member of the Health Committee. I am also a member but he has not been able to go through it, so that he has a satisfactory answer. Give us enough time for him to be able to go through then we can respond over it on Tuesday.

(Applause)

Temporary Speaker: Any seconder?

Hon. Tony Barasa: Thank you, Honorable Speaker. What has been spoken by senior member, Chair - Budget it is true. I am also a member of the Health Committee and my good friend former Mayor just received this response now, we also need to digest it, so it would be good under your watch and wisdom that you refer this matter to next week on Tuesday, so that we can ably respond to this issue. I second.

Temporary Speaker: I have listened to your concern Honourable Members. I think we move this response to Tuesday next week at 2:30 p.m. We do not have a motion on our Order Paper, the House stands adjourned until Tuesday next week.

(House adjourns)
