- (c) which the Committee has directed a County Executive Committee Member to provide additional information or further reply; and

Honorable Speaker

On Thursday, 26th February 2026 at 2:30 p.m., the Hon. Member for Tongaren Ward, through a statement to the Chairperson of the Committee on Public Administration and ICT, sought a response regarding the medical insurance cover for County Executive Staff for the Financial Year 2025/2026.

Honorable Speaker,

The Committee deliberated on the statement and resolved to seek a response from the County Executive Committee Member (CECM) for Public Service Management and ICT. Subsequently, a response referenced **CG/BGM/PSMA&ICT/CECM/CA/VOL. 4(26)** was submitted to the Committee for review.

The Committee noted the owner's dissatisfaction with the responses provided, observing that most lacked adequate supporting evidence. Consequently, it was recommended that additional relevant parties be invited to offer further clarification on the matter.

Pursuant to this resolution, and in line with your directive that the Committee concludes deliberations on the issue, the Committee invited the County Chief Officer-Public Service Management and ICT and the Chief Executive Officer of Transnep Insurance Brokers Limited to appear before it on 20th April 2026.

However, the Chief Executive Officer of Transnep Insurance Brokers Limited, through the Office of the Clerk, communicated vide a letter dated 16th April 2026, acknowledging the importance of the engagement but indicating that he would be unable to attend the scheduled meeting due to prior operational and stakeholder commitments. He therefore requested a postponement of two weeks from the initially proposed date.

In light of this development, the Committee was unable to conclude the matter as scheduled and consequently resolved to reschedule the meeting to 11th May 2026, when it intends to finalize its deliberations and report back accordingly.

I submit
