To the Speaker

County Assembly of Bungoma

Dear Sir,

**RE: PROPOSED AMENDMENTS TO THE PROPOSED RECOMMENDATIONS BY
THE COMMITTEE ON HEALTH SERVICES**

Hon. Speaker, following the motion on the Status of equipment in Bungoma County referral Hospital(BCRH), which I totally support, I wish to move slight amendments to be included as part of the recommendations by the committee on health as follows:

1. THAT, there is need for the county government of Bungoma to prioritize purchase of its own CT Scan machine in the next budget cycle for sustainability.
2. THAT, the CT Scan service charges should strictly be pegged on the agreement with NESP of 90% and 10% for hospitals of the kshs. 4,500 respectively
3. THAT, the Bungoma County referral hospital to take over and expedite the completion of the blood bank as per the budget provision.
4. THAT, future agreement with partners or donors should be presented to the county Assembly for scrutiny and ratification.

Thank you.

Hon. Sudi Busolo
Member of the County Assembly
