County Assembly Of Bungoma Awarded ISO 9001:2015 Certification

By Rosemary Wachiye

From left: *The Governor of Bungoma County, H.E. Kenneth Lusaka; the Vice Chancellor of Kibabii University, Prof. Ipara Odeo; the Speaker of the County Assembly of Bungoma, Hon. Emmanuel Situma; and the Chief Executive Officer of the Kenya Bureau of Standards (KEBS), Ms. Esther Ngari, present the certificate to the Clerk of the County Assembly of Bungoma, Mr. Charles Wafula.*

The County Assembly of Bungoma has become the first county assembly in Kenya to receive ISO 9001:2015 certification, marking a significant milestone in its commitment to quality management and improved public service.

The Kenya Bureau of Standards (KEBS) Chief Executive Officer, Ms. Esther Ngari, officially presented the certificate at a ceremony attended by Bungoma County Governor H.E. Kenneth Lusaka, Speaker of the County Assembly Hon. Emmanuel Situma, Members of the County Assembly, staff, and other invited guests.

The certification journey began on 14th October 2024, when the Assembly launched the process during the commemoration of World Standards Day.

Ms. Ngari said the certification recognises the systems an institution has established to ensure reliable services, clear and responsive processes, and continuous improvement. She stressed that quality is everyone's responsibility and that the achievement reflected a collective effort by the Assembly.

"Look beyond the certificate. Let it live in your processes and structures, with a strong focus on continuous improvement," she said.

Ms. Ngari encouraged the Assembly to build on its achievement by considering additional standards, including ISO/IEC 27001, ISO 45001 and ISO 14001.

Governor Lusaka commended the Assembly and County Executive for maintaining a cordial working relationship while carrying out their distinct constitutional mandates. He noted that oversight should strengthen—not undermine—service delivery.

He urged Members to anchor politics in service and debate in the transformation of people's lives. The Governor also challenged the Assembly to ensure that its systems and standards continue to benefit residents through meaningful public participation, responsive legislation, timely access to accurate information and institutional continuity.

"Congratulations, Bungoma, on attaining ISO certification. But remember: certification is not the destination; it is the beginning of the journey. Remaining certified is the main goal," he said.

Referring to John 1:46, Governor Lusaka remarked that Bungoma had good tidings to share and invited others to "come and see."

Speaker Hon. Situma described the certification as a landmark achievement for the Assembly and commended the County Assembly Service Board for its support. He also recognised Clerk of the Assembly Mr. Charles Wafula and the staff who contributed to the process.

Hon. Situma said the certification must translate into better services for Bungoma residents. He urged staff not only to maintain the standards achieved, but to raise them further by strengthening access to information, complaint resolution and customer-centred service delivery.

Deputy Speaker Hon. Stephen Wamalwa said the certification reflected the high standards set by the Assembly. University Vice-Chancellor Prof. Ipara Odeo also congratulated the institution on the achievement.

Clerk Mr. Wafula said quality was central to how the Assembly supports the legislative process and serves the public. He noted that the standards upheld by the institution reflected the trust placed in it by residents.

"Devolution is working, and Bungoma is a testament to that," he said, inviting other county assemblies and county executives to pursue similar improvements. "In the spirit of devolution, one county's success should become every county's inspiration."

Mr. Wafula thanked Great Conkors East African Limited for its capacity-building, consultancy and technical guidance in establishing the Assembly's Quality Management System. He also acknowledged KEBS for its professional support and partnership, and thanked staff for their contribution through meetings, reviews, documentation and process improvements.

He reminded staff that certification was not a finish line, but a starting point—an ongoing commitment to reliable services, compliance and continuous improvement.

"Let us make quality more than a policy. Let us make it our culture. Let us make service more than a duty. Let us make it our signature. Standards in our systems. Service in our hearts. Progress for Bungoma," he said.

Leader of the Majority Hon. Joseph Nyongesa said Members and Assembly leadership had supported the institution's growth and welcomed the milestone as recognition of the progress made.

The ceremony culminated in the official presentation of the ISO 9001:2015 certificate to the Speaker and Clerk by Ms. Ngari, followed by a cake-cutting ceremony to mark the occasion and awarding of certificates of commendation to the Speaker, the Clerk, County Assembly Service Board members, Management Representative, Deputy Management Representative, Process owners, Internal QMS Auditors and QMS Secretariat.

Office Of The Controller Of Budget Conducts Monitoring And Evaluation Exercise At The County Assembly Of Bungoma

By Ian Wangila

On Thursday, October 15, 2026, a delegation from the Office of the Controller of Budget (COB) visited the County Assembly of Bungoma to conduct a monitoring and evaluation exercise. The delegation was led by the Director of Planning, Research and Knowledge Management, Mr. Mohammed Issack Hassan. He said the Office of the Controller of Budget (COB) was conducting research on monitoring and evaluation in 21 counties, with Bungoma among those selected. In his opening remarks, Clerk of the County Assembly Mr. Charles Wafula pledged the Assembly's cooperation and support for the exercise.

"Being an ISO-certified institution, you are in the right place to conduct your research. We have a competitive team that is ready to work openly and transparently. This exercise will help us identify gaps and improve the implementation of recommendations for more efficient service delivery. Feel free to seek information from us and to offer criticism so that we can improve our services," Mr. Wafula said.

Deputy Speaker Hon. Stephen Wamalwa, MCA for Soysambu-Mitua Ward, represented the Speaker at the opening meeting. He said the Assembly had consistently submitted its reports and remained open to scrutiny. He added that the relevant offices and officeholders were available to support the exercise.

During the meeting, Mr. Wafula raised concerns about the National Treasury's practice of disbursing funds to the county as a single allocation. He said the practice could delay the release of funds to the County Assembly by the Department of Finance and Economic Planning, thereby affecting service delivery. He therefore proposed that the National Treasury disburse funds directly to the County Assembly, to enable it to operate independently as an autonomous institution.

The exercise aims to improve operational service delivery, strengthen compliance and support the implementation of COB recommendations. Mr. Wafula said the Assembly worked to avoid accumulating pending bills, while officers from both institutions committed to considering the concerns raised during the exercise. COB also intends to use the exercise to identify ways to improve its own operations.

The Director of Planning, Research and Knowledge Management at the Office of the Controller of Budget (COB), Mr. Mohammed Issack Hassan (centre), who led a COB delegation to the County Assembly of Bungoma for a monitoring and evaluation exercise, with the Deputy Speaker of the County Assembly of Bungoma, Hon. Stephen Wamalwa (left), the Clerk of the County Assembly of Bungoma, Mr. Charles Wafula, and staff.

Kisumu County Assembly Visits Bungoma For Friendly Matches Ahead Of Casa Games

By Rosemary Wachiye

On Wednesday, October 21, 2026, the County Assembly of Bungoma hosted a delegation of Members, the Clerk and staff from the County Assembly of Kisumu for friendly matches and joint training ahead of the official opening of the County Assemblies Sports Association (CASA) Games in Kisumu.

Led by Kisumu County Assembly Clerk Mr. Nashon Kusina, the delegation represented 13 sporting disciplines: football, men's and women's volleyball, netball, men's and women's tug of war, pool, table tennis, chess, draughts, badminton, darts, scrabble, ajua and choir.

Mr. Kusina said Kisumu had chosen Bungoma as a training partner in preparation for the seventh edition of the CASA Games, citing Bungoma's strong performances in recent competitions.

Speaker of the County Assembly of Bungoma, Hon. Emmanuel Situma, welcomed the delegation and supported the proposal for sports officials and team managers to share experience in sports management, team preparation, talent development, logistics and strategies for improving performance.

Hon. Situma said Bungoma had begun preparations early and that its teams, comprising staff and Members of the County Assembly, were ready to compete in Kisumu. He added that, as defending champions, the Assembly had adjusted its plenary schedule to Tuesdays to allow more time for training.

"Bungoma County Assembly teams are ready to host the Kisumu delegation, and the necessary arrangements have been put in place," Hon. Situma said.

Hon. Jack Kawa, Deputy National Organising Secretary of the CASA National Executive Council, thanked the Kisumu team for choosing Bungoma for its preparations. He also commended the Bungoma Assembly leadership for hosting the delegation and facilitating the friendly matches. Hon. Kawa urged Members of County Assemblies to take care during the games, noting that the 2027 General Election would bring its own political contest.

Teams were scheduled to compete at various venues to sharpen their skills ahead of the CASA Games, set to begin in Kisumu on October 24, 2026.

The Speaker of the County Assembly of Bungoma, Hon. Emmanuel Situma, and the Deputy Clerk, Ms. Josylyne Situmah, host a delegation from the County Assembly of Kisumu led by the Clerk, Mr. Nashon Kusina, and accompanied by the Deputy Organising Secretary of the County Assemblies Sports Association (CASA) National Executive Council, Hon. Jack Kawa. Members of the County Assembly of Bungoma football team comprising staff and Members of County Assembly stand ready for a friendly match against the Kisumu team.

County Assembly of Bungoma Sectoral Committees Scrutinize Fourth-Quarter Financial Reports for FY 2025/2026

By Rosemary Wachiye | Marsh Misiko | Ian Wangila

On 14th October 2026, Sectoral Committees of the County Assembly of Bungoma scrutinised the County Executive's fourth-quarter financial statements and reports for the 2025/2026 Financial Year. Members raised concerns about budget absorption, travel expenditure, pending bills, legal fees and the implementation of development projects.

The Committee on Roads, Infrastructure and Public Works, chaired by Hon. Frankline Simwoto, MCA for Chepyuk Ward, questioned Chief Officer for Roads and Public Works, Mr. Martin Simiyu, on the department's financial statements for the year ended June 30, 2026.

The Committee focused on the department's pending bills. Mr. Simiyu said the County Executive was committed to settling them and reported that the department had paid KSh. 140,177,193 since the start of the financial year. However, the department's pending bills stood at KSh. 715,492,261 at the beginning of the year and had increased during the period under review. The Committee urged the department to intensify efforts to clear the bills, noting that they place a significant burden on the county budget.

The Committee also sought an update on incomplete ward-based projects. According to the report submitted to the Assembly, progress was recorded as follows: Mbakalo, 0 per cent; Musikoma, no status indicated; Chesikaki, 65 per cent; Mihuu, 0 per cent; Bukembe East, 30 per cent; Khalaba, 60 per cent; and Tuuti Marakaru, 80 per cent.

Members expressed particular concern about projects with no recorded progress. The department said work had not started on those projects because the contractors awarded the tenders had failed to report to site. Mr. Simiyu added that work on other projects was continuing and that some had progressed beyond the percentages recorded at the time of reporting.

Members further questioned the status of road maintenance, noting that work had stalled despite the approval of a fuel budget for county machinery. Mr. Simiyu said road works had been carried out in 30 wards but had stopped in the remaining 15 because of machinery breakdowns. He assured the Committee that work would resume once the equipment was repaired.

The Committee on Gender and Culture, chaired by Hon. Jack Kawa, MCA for Bokoli Ward, questioned the Department of Gender and Culture, led by CECM Mr. Benedict Emachar and Chief Officer Dr. Andrew Musungu, on its financial report.

Members sought supporting evidence for the department's reported expenditure. The department had an approved allocation of KSh. 39,832,524 and reported expenditure of KSh. 39,399,372, representing 99 per cent absorption.

The Committee also examined expenditure on utilities, supplies and services. The department reported that the KSh. 200,000 allocation for this vote had been fully spent. However, members noted that supporting documents had not been provided for the vote heads. Committee Chairperson directed the department to submit the outstanding evidence before close of business.

The Committee on Public Administration chaired by Hon. Tony Barasa sought a breakdown of payments to contracted security and cleaning service providers. Chief Officer Ms. Everlyn Wekesa attributed delays in payment to late exchequer releases.

Members also asked about the pending transfer of village administrators, the proposal to recruit staff to protect County Government property and offices, and the status of the enforcement and village administrators' policies.

On the Kenya Devolution Support Programme (KDSP), the department reported an allocation of KSh. 10 million in co-funding and presented a list of expenditure. The Committee raised concern about the low absorption of KDSP funds. Ms. Wekesa attributed this to delays in the release of funds.

The Committee asked Chief Officer CPA Andrew Wamukoya to explain why the Governor's Office had used 99 per cent of its foreign travel budget during the year under review. Members also sought to understand how Bungoma residents had benefited from the travel.

The Committee noted that the Office had nearly fully spent its training allocation of KSh. 5,030,000, with expenditure of KSh. 5,027,779.

Members noted that only half of the allocation for pending bills had been used. The Committee observed that pending bills are a first charge and should therefore have been paid in full.

The Committee also raised concerns about the comprehensive insurance cover for two motor vehicles. The department undertook to provide a valuation and assessment report.

The Committee questioned the County Secretary's Office on its personnel budget of KSh. 7,002,462,932, which had been fully absorbed despite some staff having left the service. Director of Human Resource Mr. John Ndombi said the payroll-cleansing report, submitted to the County Assembly quarterly, explained the position.

Members also noted a KSh. 709,300 penalty imposed on the County Government for failing to remit Social Health Authority (SHA) contributions. The Office attributed the penalty to delays in exchequer releases.

On Community Health Promoters (CHPs), the Office reported that they had been paid for all 12 months. However, arrears of KSh. 35.8 million, covering four months, were awaiting the release of funds from the exchequer.

The County Attorney's Office provided a breakdown of domestic travel expenditure following the Committee's request for clarification. It also reported that its annual report covering litigation, contracts, policies and advisory services across all directorates had been submitted to the County Assembly.

The Office reported no expenditure on foreign travel or on print-

ing, advertising and information. Members also noted differences in legal-fee payments: some firms had received more than their approved allocations, others less, while some had no corresponding payment recorded.

Solicitor Ms. Purity Masinde said all pending legal-fee bills had been verified and the Office's legal accounts reconciled. She explained that some firms had taken the County Government to court to pursue payment, which may have prompted settlement of their claims.

Ms. Masinde said total expenditure remained within the amount approved by the County Assembly, although the distribution of funds among firms varied. She added that paying each firm strictly according to its allocation would have left a substantial portion of long-outstanding debts unpaid, while some firms received a larger share of what they were owed.

The Committee on Tourism, Environment, Water and Natural Resources questioned the County Executive Department of Tourism and Environment on its financial performance and implementation of planned programmes during the 2025/2026 financial year.

In a session chaired by Committee Chairperson Hon. Edwin Opwora, Members examined the department's annual report and financial statements for the year ended June 30, 2026, seeking explanations on budget utilization, expenditure, development projects and outstanding financial obligations.

The Committee raised concerns about low or zero budget absorption in several areas, including climate-change programmes, operational expenses and maintenance. Members also sought clarification on expenditure that exceeded the approved allocation for borehole development, the use of funds allocated to water projects, and the settlement of pending bills.

The department's team was led by Chief Officer Mr. Nicholas Kiboi, and other departmental officers were asked to provide supporting documents and further explanations to help the Committee scrutinize expenditure and ensure accountability in the use of public resources.

The Committee on Labour Relations, Members Facility and services scrutinized the financial performance of the County Assembly management and the Bungoma County Public Service Board for the Financial Year 2025/2026, focusing on budget absorption, expenditure patterns, pending bills and the implementation of development projects.

The committee interrogated the County Assembly management, led by Deputy Clerk Administration, Ms. Josylyne Situmah, and Principal Accountant, Mr Symon Walukano, over the Assembly's annual financial statements. The committee also examined the County Public Service Board's financial performance, seeking clarification on expenditure variances, outstanding payables, and the implementation of planned programmes.

During the interrogation of the County Assembly management, members reviewed the approved supplementary budget of Kshs. 1.39 billion, comprising recurrent and development allocations. The Assembly recorded an overall expenditure of approximately Kshs. 1.14 billion, representing 82 per cent budget performance.

The committee noted that recurrent expenditure performed strongly, with approximately 98.6 per cent of the allocation utilised. Spending on employee compensation, domestic travel, training, insurance and other operational activities recorded high absorption rates.

However, members expressed concern over the low absorption of the development budget, which stood at approximately 26 per cent. Particular attention was drawn to the construction of the Assembly chambers, whose expenditure represented 22 per cent of the allocated funds, and the completion of the Speaker's residence, which recorded 14 per cent absorption.

The Sectoral Committees of the County Assembly of Bungoma carry out oversight of the County Executive by interrogating its fourth-quarter financial statements and reports for the 2025/2026 Financial Year.

The committee also sought an explanation for the zero expenditure reported under Phase Two of the ICT Transformation Project despite an allocation of Kshs. 10.28 million. Members questioned the factors that delayed implementation and whether the unspent funds allocated to the construction of the Assembly chambers and completion of the Speaker's residence would be carried forward, noting that the projects had also experienced rollovers from the previous financial year.

According to the financial statements, the County Public Service Board had an approved supplementary budget of Kshs. 43.40 million, comprising Kshs. 39.60 million for recurrent expenditure and Kshs. 3.80 million for development activities. The Board recorded total expenditure of approximately Kshs. 35.14 million, translating to 81 per cent budget absorption.

The committee noted that recurrent expenditure performed relatively well, recording an absorption rate of 86 per cent. However, members expressed concern over low absorption in several expenditure areas, including communication supplies and services, printing and advertising, office and general supplies, and other operating expenses.

Particular concern was raised over development expenditure, with the construction of the Board's offices recording only 28 per cent absorption. The committee sought explanations for the slow implementation of the project and the possible implications for service delivery and the achievement of planned objectives.
The exercise formed part of the committees oversight responsibility to ensure prudent utilisation of public resources, accountability in expenditure and improved implementation of development programmes.

Sectoral Committees of the County Assembly of Bungoma Continue Interrogation of Fourth Quarter Financial Statements and Reports for Financial Year 2025/2026

By Rosemary Wachiye | Ian Wangila

The Sectoral Committees of the County Assembly of Bungoma carry out oversight of the County Executive by interrogating its fourth-quarter financial statements and reports for the 2025/2026 Financial Year.

On Thursday, 15th October 2026, the Sectoral Committees on Finance and Economic Planning; Agriculture, Livestock, Fisheries, Irrigation and Cooperative Development; Trade, Energy and Industrialization; Youth and Sports; Lands, Urban, Physical Planning and Housing; and Health and Sanitation interrogated the Fourth Quarter Financial Statements and Reports for the Financial Year 2025/2026.

The Committee on Finance and Economic Planning, chaired by Hon. Polycarp Wandabusi, asked the County Department of Finance and Economic Planning, led by the County Executive Committee Member (CECM) for Finance, Mr. Robert Simiyu, to respond to queries on the financial statements for the period ending 30th June 2026. The areas discussed included the resource envelope, revenue performance, financial performance, and pending bills.

The Committee raised concern over increased expenditure on domestic travel. In response, the CECM explained that the increase was due to the inclusion of 150 primary health facilities that had not previously been funded. Members also raised concern over revenue collection by officers outside the Finance Department, citing a case where a livestock officer collects revenue on market days, a function reserved for the Department of Finance and not the Department of Agriculture. Mr. Simiyu responded that no policy currently guides finance officers in stopping such officers or prohibits parallel revenue collection.

The Committee also sought clarity on the revenue collection trajectory so far, and on why the Department had not expanded collection by creating parking areas for trailers using the Bungoma–Malaba highway. In response, the Department reported an increase in revenue collection of KSh. 500 million and said that plans are under way to create a parking zone for long-distance trucks in the area, which is expected to contribute 12 per cent of revenue. The Committee was further informed that harmonizing revenue collection will significantly increase revenue.

At the beginning of the financial year, the County had current liabilities (pending bills) of KSh. 4,469,304,079. An additional KSh. 691,894,313 in pending bills was recorded during the year. A total of KSh. 1,453,995,891 was paid towards settling the bills, leaving a balance of KSh. 3,408,758,380 as at 30th June 2026.

The Committee on Agriculture, Livestock, Fisheries, Irrigation, and Cooperative Development, chaired by Hon. Idd Chamawi, raised concerns about the circular directive issued by the Office of the County Secretary to halt other activities in the recurrent budget and use funds only for salaries, thereby hampering the absorption rate.

The interrogations came to a close on Friday, 16th October 2026, with the Committee on Health and Sanitation, chaired by Hon. George Makari, interrogating officers of the Department of Health led by County Executive Committee Member Chrispinus Barasa and Chief Officer David Maling'a.

The Committee noted with concern that the Satellite Blood Bank at Bungoma County Referral Hospital had not been operationalized, leading to a shortage of blood even though the building is complete. In response, Mr. Barasa attributed the shortage to a regional problem caused by depleted reagents, despite the Department's initiative to hold blood donation drives across the County.

The Committee also reviewed the overall budget for County health facilities. Bungoma County Referral Hospital recorded budget absorption of 90 per cent, Webuye County Hospital 77.62 per cent, Kimilili Sub-County Hospital 81.77 per cent, Sirisia Sub-County Hospital 41.63 per cent and Naitiri Sub-County Hospital 92.38 per cent, among others.

The exercise enables the respective Committees to review and assess financial performance, budget absorption, programme implementation status and the overall accountability of departments as at 30th June 2026.

County Assembly Of Bungoma Approves Nominees To Serve On Selection Panel For Recruitment Of Secretary To The County Public Service Board

By Rosemary Wachiye | Ian Wangila

The County Assembly of Bungoma, on Tuesday, 29th September 2026, approved the nominees appointed to serve on a selection panel for the recruitment of the Secretary to the County Public Service Board.

During the afternoon session, the Leader of Majority, Hon. Joseph Nyongesa, moved a motion tabling the five names submitted by the Governor of Bungoma for approval. He noted that Section 58A(3) requires that, in nominating members to the selection panel, the Governor ensures that not more than two-thirds of the nominees are of the same gender. The motion was seconded by Hon. Ipara Okasida.

The nominees are Hon. Julius Bakasa, Chairperson, from Tongaren Constituency; Ms. Joan Cheporus, representing the private sector, from Mt. Elgon Constituency; Advocate Maloba Hammerton, representing the Law Society of Kenya; CPA Rita Nabalayo Manyonge, representing the Institute of Certified Public Accountants of Kenya (ICPAK), from Webuye East Constituency; and Mr. Florian Sifuna Nganga, representing the workers' association, from Kanduyi Constituency.

During debate, Hon. Edwin Opwora, MCA for Luuya-Bwake Ward, observed that the list reflected regional balance, drawing nominees from across the County's constituencies. He added that the County Public Service Board had been operating without a substantive Secretary, and that the approval would help fulfil the constitutional requirement to fill the position.

FILE PHOTO: *Members of the County Assembly of Bungoma attend a plenary session.*

The Assembly resolved to approve the nominees to serve on the selection panel for the recruitment of the Secretary to the CPSB.

The approved list will be forwarded to the Office of the Governor through the Office of the Clerk of the County Assembly, in line with the constitutional process, to enable the panel to commence the recruitment of the Secretary to the CPSB.

County Assembly of Bungoma Adjourns Sittings to Prepare for CASA Games in Kisumu

By Rosemary Wachiye | Ian Wangila

The County Assembly of Bungoma has adjourned its regular sittings to allow Members to prepare for and participate in the County Assemblies Sports Association (CASA) Games, scheduled to take place in Kisumu County later this month.

During this morning's sitting, the House approved a motion moved by Majority Leader Hon. Joseph Juma and seconded by Hon. Isaiah Sudi Busolo, MCA for South Bukusu Ward. The House resolved to adjourn its regular sittings today, 13th October 2026 at 9:30 am to allow honorable members and staff time to prepare adequately for and participate in CASA games.

In moving the motion, Hon. Juma noted that CASA is an annual sports and cultural forum that brings together Members and staff of county assemblies from across Kenya. This year's games are scheduled to run from Sunday, 25 October, to Saturday, 31 October 2026.

Hon. Juma added that the games promote the physical, mental and social well-being of Members and staff, whose responsibilities in legislation, oversight and representation often involve long hours and sustained public service.

As the defending champions, the County Assembly of Bungoma will use the adjournment period to select and train its team and finalize logistical arrangements. The Assembly reaffirmed its support for participation in CASA Games through thorough preparations.

The Chairperson of the sitting Hon. Christine Mukhongo, a member of the Speaker's Panel, wished the County Assembly contingent success as they represent the people of Bungoma with distinction and discipline.
The County Assembly is scheduled to resume its regular sittings on Tuesday, 3rd November, 2026 at 2:30 p.m.
