

## **MESSAGE FROM THE LEADER OF MAJORITY**

The Majority Kenya Kwanza coalition party has a total of 43 Members of County Assembly with an additional 3 MCAs elected on independent ticket who support the government of the day.

Our role as the majority coalition is to push the government agenda in the deliberations in the House by ensuring that the County Assembly approves legislations, budgets and other key statutory documents in a timely manner towards fast tracking development.

I spearhead the legislative agenda of the largest party or coalition of parties in the Assembly through ensuring unity among members of the coalition.

As I hold this position for the second term, I have stirred the house in passing the Bungoma County Climate Change Bill while other substantive bills are underway such as the Bungoma County State of the County Address Bill, 2022; Bungoma County Equitable Development Bill, 2022 and Bungoma County Cultural and Heritage Bill, 2022.

Once the County Assembly resumes sittings from recess, the governor of Bungoma County Kenneth Makelo Lusaka is expected to address the Assembly. His speech should capture his second tenure budget, completion of stalled projects from his first regime and the previous regime and the plans towards fulfillment of his campaign manifesto and promises to the people of Bungoma County.

The Governor's speech shall then set the agenda for the County Assembly and form a basis for the debates on the issues raised thereof.

Every elected MCA is expected to make a statement on the priority agenda for their wards while also encompassing the laid out plans in the County Annual Development Plan (ADP) and County Integrated Development Plan (CIDP).

Hon Joseph Juma Nyongesa

MAJORITY LEADER,

BUNGOMA COUNTY ASSEMBLY.
